*Because of the number of scheduled games, beginning in November, we may practice only one day on a particular week. Or because of a game falling on a practice day, there may be an additional practice offered on a different day at a different location. (See schedule below)

Costs

- Monthly practice/game fees: \$100 per JV/V player (second child \$75), \$90 for middleschool (second child \$75). Does not include tournament or post season play, uniforms or travel expenses. Fees should be paid on the first practice of each month. Payments run Oct through March.

- Fund-raising: In order to meet the increased rental fees and added number of the home school league games for 2011-12, each family (not each player) will be required to raise \$100 at our 3-point shoot out contest on Monday, Dec. 19. Families may opt out of the fund raiser and pay an additional \$20 per month in fees (per family, not per player).

- Liability fee \$15

- Practice Jersey \$12

- Admission fees: Most games (including some of our own home games), charge an admission fee for spectators. We will try to let you know the admission fees prior to each game. All admission fees are paid at the door.

- Tournaments Fees. There will be a per player costs for all tournaments to cover the Hawk's entry fee and the coach's travel and lodging. Commitment to the Hawks program includes participation in the Regional, State and East Coast tournament. Please check the schedule for these tournaments. **If you think you are NOT going to be able to participate in a particular tournament, please clear this with the head coach BEFORE joining the team.**

- Team uniforms are mandatory. We plan to buy new uniforms for all teams this season. Cost to be determined.

Hawks Team Policies

Court Time and Substitutions During Games

The Hawks are not an everyone-plays-every-game program. Payments and team fees do not constitute any guarantee of play time during league or tournament games. Players earn court time by their ability to benefit the team while in the game. Coaches reserve the sole right to start or substitute players to best accomplish what is needed for the team to succeed at that particular time in the game. Though we understand the need for all players to benefit from game experience--and do substitute accordingly--in close contests with equal or superior opponents, players are not substituted for that purpose but, rather, to strengthen the team's opportunity to win. The Hawks' program is designed to bring our boys to a higher level in their personal play and to develop the Christian male characteristics of leadership, excellence, courage, dedication and loyalty. Even with limited play time, we hope these characteristics are inspired through the hard work and fellowship with the team in practices and at games. We feel that court time is not only a fair reward for those who have excelled most in these areas but also motivates others to emulate the character and develop the skills needed to earn recognition as a needed participant for the team's success. If game time experience is your main concern for your son and you or he would not be happy with the experience of being a member of the Hawks should he not get consistent, regular court time, you may want to reconsider your participation in our program.

Ministry Roles

Hawks basketball is a father/son ministry of The Christian Community. The purpose of the program is to encourage dads to get more involved in the activities and discipleship of their sons and to take positions of visible leadership within the organization. We feel that church programs are strongest when dads are at the helm. Therefore, positions of authority, coaching, and leadership are reserved for the men only.
