

# Christian Community Sports 2010

## **Doth the hawk fly by thy wisdom? - Job 39:26.**

Christian Community Sports provides sports designed for homeschoolers and run by homeschool dads. Allowing homeschool children to participate in athletics with other homeschoolers in a relaxed, competitive-friendly Christian environment is the driving force behind the homeschool sports programs sponsored by The Christian Community.

**Swimming:** Now in our thirteenth season, the homeschool Raleigh Seahawks Swim Team allows homeschool children to experience the benefits of swimming year 'round without the often negative spiritual and moral impact other swim programs may have on your child. The Seahawks are coached by Matt Finneran, a homeschool father of 6 children. Matt has 20 years age-group swim coaching experience and was the N.C. State Men's water polo head coach for 7 years. The Seahawks offer year 'round swim team, water polo, a masters' team (for adults) and beginning and stroke swim lessons.

**Basketball:** We are excited to get going with the new season and welcome homeschool boys who are interested in taking their basketball to a higher level while also developing a Christ-like attitude on and off the court. The Raleigh Hawks, 8th place finishers at the 2010 Varsity Boys East Coast Homeschool Championships, look forward to again being competitive in all three levels: Varsity, JV and Middleschool. Our program is run and led by Christian dads who desire to build a godly character in their boys that is not only reflected on the court but also in their overall walk with Christ.

**Baseball:** 2010 marks the 5th season of the homeschool Raleigh Hawks Baseball Club and our third year to field a varsity team and take the club to the Homeschool Varsity World Series in Orlando, Fla. Our foundation has been hard work, prayer and dedication to Christian character. Our team leadership and coaching is provided by homeschool dads who are concerned with building young men for Christ. We believe that when we focus on these principles, God will provide us with the necessary tools, talents and abilities to be a competitive program.

**Water Polo:** A growing sport in Raleigh over the past 5 years, The Christian Community sponsors coed water polo scrimmages for all ages and monthly water polo games and tournaments for older boys (14 & up). This sport combines the endurance of swimming with the quickness and agility of basketball-like offenses and defenses, as well as being a welcomed break for swimmers from the routine of regular swim practice.
